How to Friend

Youth all have one thing in common: they want to be seen, known, and valued for who they are. They don't want fake relationships; they want personal ones. In this series, we're going to look at five specific questions they can ask to make the relationships in their lives more real and more personal. How do we know it can happen? Because we're taking a tip from the way Jesus did it to give them an idea of just how to make everything—including their relationship with Him—a little more personal.

Sunday School Lesson Overview

Sunday school is an hour-long class where we do a more in-depth study than we do on Wednesdays. We incorporate activities, videos, memory verses, and end with an application or weekly challenge.
